INDEX, 1937

A

Abdominal surgery, Further studies on the intraperitoneal use of bovine amniotic fluid in (abstract), J. R. Gepfert and M. L. Stone, 296

Academy, Recent activities of The New York, E. H. Pool, 110

Academy meetings, Proceedings of, 43, 93, 141, 305, 371, 734

—— scholarships, The, 295

Accessions to the Library, Recent, 40, 90, 138, 297, 369, 433, 493, 546, 603, 656

Acetylcholine, Transmission of nervous effects by, Sir Henry Dale, 379

Acid allurate used as an analgesic in 101 cases at Woman's Hospital, Clinical study of (abstract), W. A. Graham and M. De W. Pettit, 492

Adair, Robin and John, Archibald Malloch, 576

Admission, Committee on, 1936, 148

—— , —— —, Report of the, 175

Advertising policy, Change in, 10

Affiliated Societies, Officers of Sections and, 1936, 149

Amberson, J. Burns, Jr., Significance of pregnancy for the tuberculous woman (abstract), 37

Amendment to the Constitution, 732

"American Medicine," Review of, 422

Amniotic fluid in abdominal surgery, Further studies on the intraperitoneal use of bovine (abstract), J. R. Gepfert and M. L. Stone, 296

Anemia from the clinical standpoint, Modern concepts of, E. B. Krumbhaar, 501

Anniversary Discourse, The profession in world turmoil, J. G. Rogers, 47

Annual Meeting of the Academy, January 7, 1937

Address of the Incoming President, J. A. Miller, 118

—— of the Retiring President, E. H. Pool, 110

Medicine and the State, T. D. Thacher, 127

Reports of the Council, Board of Trustees, Committees of the Academy, Annual Report for 1936, April number, 146-239

Arabia, Medical explorers of, Iago Galdston, 512

Azotemia and the pathology of renal blood flow, Prerenal, A. M. Fishberg, 710

B

Bearing of the results of recent studies in nutrition on health and on length of life, H. C. Sherman, 311

Bed for sick and needy physicians, Hosack, 239

Bequests, form of, 239

Biggs (Hermann Michael) Memorial Lecture, Bearing of the results of recent studies in nutrition on health and on length of life, H. C. Sherman, 311

Blood loss during the third stage of labor, Significance of the (abstract), J. B. Pastore, 85

Breech, Management of (abstract) H. C. Williamson, 85
